Ada' Al ittijah
Contracting Co

About us

Ada' Al ittijah Contracting Co. is a trusted contracting company committed to delivering high-quality solutions across industrial and infrastructure sectors. Built on the principles of safety, reliability, and excellence, we provide specialized services that meet the evolving demands of modern projects. Strategically headquartered in **Dammam's Al-Amanah District**, at the heart of Saudi Arabia's Eastern Province, we efficiently support clients with skilled resources, advanced equipment, and dependable project execution, contributing to the Kingdom's ongoing growth and development.

Vision

To be the most trusted and progressive contracting partner in the Kingdom of Saudi Arabia, recognized for pioneering sustainable industrial solutions, fostering local talent, and consistently exceeding global benchmarks of quality and safety.

Mission

To empower our clients' success by providing elite manpower, cutting-edge heavy equipment, precise fabrication, and top-tier fire and safety services, all while maintaining an unyielding commitment to operational integrity and regional development.

Rooted in Reliability, Driven by Innovation.

Heavy Equipment Rental

Powering the World's Toughest Projects.
